Subject: Correcting Yourself and Others

To: Brian Gabriesheski <[REDACTED]>

Cc: Josiah Fornof josiah.fornof@gmail.com

Dear Officer Gabriesheski:

This correspondence is on behalf of Josiah Fornof, at his request in consideration of our office system and set up. In other words, it is logistically easier for us to do it this way. Josiah speaking:

In a follow up meeting with Michael Shaughnessy yesterday, he mentioned that you had told him that I may be part of the Sovereign Citizen group, which is recognized as the number one domestic threat in the U.S. today. I direct your attention to the FBI document picture below, dated 1/06/2011, concluding that I am not associated with ANY DOMESTIC TERRORISM groups, which would include the aforesaid group.

I respectfully request that in your communication with others in relation to me and my case and otherwise that you not further perpetuate the lie, mischaracterization, harassment, stigmatizing, and whatever else it may qualify as, including how it works to further treason.

Furthermore, I would request that anyone who has communicated that lie to you or to whom you have communicated that lie, that you would take any and all measures to correct that according to the proof below as evidenced in the FBI document.

Superseding notice: under duress of treason etc.
