Honorable Marco Rubio
United States Senate
Washington, D.C. 20510

Dear Senator Rubio:

Yeshua Ha Mashiach is Adonai: He is the Living God, the God of the Living, and there is nothing more important to know or to act upon than that throughout all of the days of our lives. Yeshua is Jesus the Messiah, and He is King of kings and Lord of lords. He is Shiloh, Prince of Peace, the Father, revealed in the Son, and by the power of the *Ruach Ha Kodesh* (Holy Spirit) He is moving among the nations to once and for all establish His millennial reign, a long time (one thousand years) of peace. This is so that God's will at last will be done on earth as it is already done and is settled in heaven. Shiloh's kingdom is established in faith, which works by love, perfect love, which casts out fear.

Shiloh's millennial reign began on November 4, 2015 at 7:49 PM ET upon the publication of *The Glorious Liberty: Of the Children of God*, the inaugural testimony of the two witnesses who are the pattern of what is established above for what is being established here below. That book is the first of ten in the series entitled *The Seventh Angel Has Sounded* which is so titled in reference to a verse of scripture in the last book of the Bible, the Revelation of Jesus Christ:

Revelation 11:15 King James Version (KJV)

¹⁵ And the seventh angel sounded; and there were great voices in heaven, saying, The kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign for ever and ever.

On said date, at said time, upon publication of said book, I served notice on Satan that he shall not survive his encounter with me. Through me, the word of my testimony, Genesis 3:15 is fulfilled on earth as it has been fulfilled in heaven.

Genesis 3:15 King James Version (KJV)

¹⁵ And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.

Everything that does not conform to the aforesaid must cease: that includes, of course, that the decades-long genocide against my beloved parents Ruth Elvada Denniston Blevins (August 31, 1923-January 11, 1997) and Robert Frank Blevins (March 13, 1925-November 10, 2011) and theirs, against me and mine and others, must cease. Continuously, contiguously from at least as far back as September 11, 1986, said genocide has been and continues to be carried out against my family and me through the United States governing bodies, top to bottom, across the board, federal, state, local and is prosecutable under the law, the real law and ruling out color of law, including under 18 U.S.C. § 1091: US Code - Section 1091: Genocide.

In regard to all of the aforesaid, there is no shortage of proof in evidence to be made available for a thorough and proper addressing of the matter. Herein, I direct your attention to two essential documents: 1) My father Robert Frank Blevins's letter dated December 7, 1997 to the United States Department of Justice; and 2) My son Josiah Robert Fornof's Freedom of Information Act Appeal dated November 17, 2015. The latter includes, on page 29, the following instructions to Congress:

Finally, as has also been demonstrated above, the fact that I have been called forth by certain provisions of the Constitutions [e.g. federal and state] of acts of Congress and of other laws, including of nature and of necessity, of the United States and of the State of Florida: to enforce the same in preservation of myself et a. and of a free state. I have jurisdiction over federal and state in these cases and matters. Congress, federal and state, shall not prevent us from peaceably assembling, nor from otherwise defending ourselves for a lawful purpose: as necessary to the security of a free state, in regard to these records, cases, and matters; however, we may allow these records, temporarily, to be withheld and allow ourselves, temporarily, to be on stand-by, for a lawful purpose, in preservation of ourselves and of a free state, in these matters. Accordingly, Congress shall provide us with the requisite weaponry and training: in preparing us to exercise our right and duty to bear arms in our defense, being necessary to the security of a free state, in the likely event that these matters are not peacefully dealt with by those who are currently entrusted with this duty or by those who will inherit this duty in succession.

Mr. Fornof has cited law(s) on the books that clearly spell out the United States Supreme Court opinion on the heart of what Amendment 2 means *in intent*, and in so doing has:

1. Framed private gun ownership as not only a right but a *duty* put upon citizens in the United States Constitution itself.
2. Declared his jurisdiction and on that basis has: a) demanded that Congress arm him; and b) demanded that Congress train him.

That is all aside from a military or any expectation of anyone's being any part of any standing militia anywhere; just as a free citizen, solitary. As Mr. Fornof has emphasized, it was never the intent of the Framers of the Constitution that any citizen or class of citizens should be deprived of the right to bear arms; and in fact, all have the duty to do so.

As matriarch of my family I speak for all in saying that our most ardent desire is for peace to prevail. The cover-up that has existed in regard to the genocide against us is *not* peaceful, but is violent and constitutes further genocide against us and as such represents a threat to national security at its most basic foundation. I trust that the common ground we share is that we all desire peace and are willing to endure the sacrifices required to achieve lasting peace for every man, woman, and child.

You are to respond lawfully to all of the aforesaid. Your lawful response includes that you are to commence immediately and continue as long as there is a need, mitigating the consequences of the aforementioned genocide against my parents and theirs, against me and mine, against We the People of the United States of America. No more dancing around the truth and making a mockery of the law, the land, and the Lord who has shed His grace so abundantly on our great country. No more cover ups. No more distractions. No more color of law. No more twisting the truth against us. No more genocide. Enough was enough decades ago.

For your convenience in facilitating what you *must* do, I have included scanned copies of both of the aforementioned documents as the only items on the enclosed flash drive. These copies can also be found on the Josiah Robert Fornof web site at the URL: josiahrobertfornof.com. The web site is under development, with plans for much more documentation to follow, Lord willing, and as my wherewithal allows. What I have provided to you herewith, however, is more than enough for you to commence immediately and continue as long as there is a need coming lawfully for us, and not in any manner further unlawfully against us.

The kingdom of God is within you and within each person who reads this correspondence: Shiloh comes now in power, requiring of each of us that which He has put within each of us, all that He has called each of us to be and to do, that which from before the foundation of the world, He determined would give Him pleasure for eternity. I pray for each of our purposes to be fully revealed, realized and manifested, and I so pray in the name that is above every other name: Yeshuah Ha Mashiach, Jesus Christ, Who alone is the *Way*, the *Truth*, and the *Life*.

Sincerely,

Kimberly A. Blevins
