FOIPA Request No. 1362193-000
Subject: FORNOF, JOSIAH ROBERT

Dear Mr. Hardy:

Thank you for your staff's quick response acknowledging receipt of my July 17, 2017, letter to you, apprising me of the status of same and inviting me to contact you again for additional help. That is comforting. This letter is to help you by providing you with some additional relevant information.

In November 2016, at my request, Josiah wrote an email to me from prison outlining what he would like me to include in my book about his August 17, 2010 conversation with the FBI via their informant "John Sherman," who we gather was paid about \$30,000 for his part in assuring that the genocide against Josiah and his family continues uninterrupted, and that it in fact exacerbates with the passing of every small increment of time. I sent my request to you for the transcript of that phone call on November 14, 2016. Josiah's wrote and sent his email to me on November 13, 2016, but I did not receive it until November 15, 2016, at 6:20 PM EST. The subsection below contains a true transcript of that email. Following said email subsection, there is another wherein I have expounded further upon each of Josiah's points, providing additional commentary.

JOSIAH FORNOF'S EMAIL (NOTICE)

Re: August 17, 2010, Telephone Conversation With FBI, CI

Subject: (NOTICE) UNDER DURESS OF TREASON ETC. (IMPUTED BY LAW)

Dear Mum:

I've asked that you include some of the following, important information concerning the above reference telephone conversation, in your next book publishing, as you see fit, including for fluidity of your composition. You have given me a week. Following is my compliance within said time frame constraint.

If anything happens to me, where I should die, even if it is made to look like I am the aggressor, please do not fail to demand for the above reference telephone conversation as evidence, to rebut such claims, in a wrongful death suit against known and unknown individuals acting unlawfully within positions of the governing bodies of these United States, federal, state, and local; moreover, make sure to sue them in their individual and official capacities, as well as making sure to sue said governments themselves, for failing to do their duties etc. Also, please do not fail to similarly preserve the aforesaid, for our fellow citizens to pursue such suits against same, if anything, as stated above, should happen to you to.

What also must be preserved for such litigation is that my above reference conversation was conducted with my being under duress of treason etc., as I discussed in same and have given repeated notices of to others, as well as you were also under such duress, including in the first few minutes of this conversation when you talked to the CI prior to handing the phone to me; indeed, you should be able to request for this conversation from the Department of Justice (DOJ), FBI, in your own FOIA request for same, in defense of yourself and your country.

In keeping with an economy of words, for brevity, I will list a few things I talked about in the above reference conversation in explanation of the actual reasons I re-armed myself in this case:

- (1) I talked about the law of notice and I talked about the treason that was and is being perpetrated against our family and our country: the United States of America and the State of Florida, as we have well documented in our voluminous correspondence to said governing bodies, which I also talked about in relation to same (Re: Blevins, R.F.(1997, Dec. 7) correspondence to the DOJ; Blevins, K.A. (2005, Feb. 10) Terrorist Event Theory; Blevins, K.A. (2001 , Jul. 11) Sworn Affidavit; Fornof, J.R. (2009, Jan. 7) correspondence to The President; Fornof, J.R.(2010, Jul. 6) correspondence to Bernie McCabe, Jr.; etc.).
- (2) I talked about how the aforesaid wrongdoers could drop me into the middle of the ocean and, The Good Lord Willing, I would swim back to land and continue to maintain with my position of exposing them to the People, for all to see their treachery, until my last breath.
- (3) I talked about Donald Trump (when the CI brought his name up), about how he is someone with enough money and character to compete on our---the People's---behalf, against the aforesaid wrongdoers who have high jacked positions of our governing bodies and continue to perpetrate treason against us, including by preventing others who would act lawful in those positions from holding the same.
- (4) I talked about my never yet having an experience of personal contact that I could recall with God, Jesus Christ, etc. , but that if I ever start claiming that I have, people can be assured that it must have actually, finally, happened; however, I talked about my having reason for having faith in the same, that inevitable judgment is happened; however, I talked about my having reason for having faith in the same, that inevitable judgment is coming for us all, and that I needed to warn the world about it; indeed, I discuss how blessed it would be if we all got our acts together and everything was all right here to receive the Lord as a family, for when He makes His rounds, instead of eternally suffering for failing to get right with Him and with each other.

(5) I talked about how you helped to inspire my aforesaid faith and that, knowing my mother, that you would write a book, including all of the above in it, in defense of ourselves etc.

(6) I talked about many other things, including some that I have shared with you before and that you may also share in your book if you recall them.

Gashpringingly Yours,

Josiah:)

KIMBERLY BLEVINS' COMMENTARY (NOTICE)

This letter, including of course my elaboration below on Josiah's email above, will serve as second witness notice of treason and genocide.

Obviously, Josiah gives his consent and waives any privacy interest he may have in the transcript and audio recording that I have requested. As prior indicated, it has always been about the public interest, the people.

Following are a few of my comments, item by item, about what Josiah wrote above concerning what he had discussed during that August 17, 2010 telephone conversation:

(1) **Josiah's notice** – Josiah remembers discussing the law of notice. During that August 17, 2010 telephone conversation, Josiah Fornof served notice on the government, via the FBI's CI, that as a family we have been living under a reign of genocide carried out against us through the United States governing bodies, top to bottom, across the board, federal, state, local, including but not limited to by discussing his grandfather's my father's letter of some 40 pages dated December 7, 1997 to the DOJ.

(2) **Josiah's "until my last breath" commitment to oppose and expose the government's treachery** – This is Josiah's legacy from his maternal grandparents, my parents. On the first page of my father's aforementioned December 7, 1997 letter to the DOJ, my father wrote of his and my mother's commitment to stand together against wrongdoing tyranny oppression of the government against the people:

Tyranny succeeds in direct proportion to the do-nothingness of the citizenry. We were but two. I am but one. So we were committed, so I continue in this matter against wrongdoing tyranny oppression. My homing stone is simple: no one was ever created to do wrong with impunity. Such is the harmony strength and support of all worthwhile endeavor whether it be family friend fraternity courtship community state or global....

My parents' family, including but of course not limited to Josiah and I, have taken the stand with my parents against wrongdoing, tyranny oppression. In our family's case, the government has shown how far they will go in their lawlessness in order to commit genocide upon a God-fearing, law-abiding American family, and if us, who else? Genocide constitutes treason, is that kind of crime.

(3) **Josiah's prediction of a Trump presidency** – Of course, by November 13, 2016 when Josiah wrote that email, everyone knew that Donald Trump had won the election. Trump's name had come up in that August 17, 2010 conversation. As Josiah notes, Trump's name was brought up by the CI. That was after Josiah had mentioned our "trump card" so he was not originally thinking about any person by that name. However, once Trump's name was brought up, Josiah then said that it could be that Trump has what it takes to do what needs to be done.

In this section of his email, Josiah's use of "high jacked" rather than "hijacked" is meaningful too. When particularly frustrated about what was happening to us, my father used to say that the government had become so corrupt throughout that we needed to jack it up and run something lawful in underneath it.

(4) **Josiah's faith** – Josiah has a depth and breadth of spiritual wisdom that I have seldom if ever encountered in anyone else. Yet, he speaks of his faith in measured terms. As one who respects science very much, he is careful to not speak beyond the data of his own firsthand experience.

This reflects his grandfather's, my father's longstanding belief and practice that in writing to our elected and appointed officials, there should be no reason to "crank religion into it" as he put it. It was enough to keep to the law, for we are all equal under the law, regardless of religion, race, or creed, for example. Yet, my father was also someone of deepest personal faith.

I respect very much my father's position and Josiah's. For the most part, in my early writings I adhered to same. However, my position now is somewhat different, and I do quite often discuss my faith in my official writing, as I have done hereinafter.

(5) **Josiah's inspired by my faith** – Josiah and I have chuckled together about his statement in the email above, when he said that I would "writhe" a book. He meant "write" of course, but that was a meaningful error. Writing what I must write, including this letter, evokes writhing in pain, emotional and otherwise, one of the many countless faces of terror, of genocide. In a spiritual sense, I am also writhing as in the specific pain of childbirth, and that is what my books are about, that writhing, that travail. Those books are written and published under my prophetic name, which is like a pen name. Here, in this section of this letter, I go through the door that Josiah has opened and write freely from the basis of my faith as that applies to my family's case.

The imminent change that is in store for the U.S. relates to the words of Isaiah:

Isaiah 66:9 New Century Version (NCV)

⁹In the same way I will not cause pain
without allowing something new to be born," says the Lord.
"If I cause you the pain,
I will not stop you from giving birth to your new nation," says your God.

Our nation will *surely* be birthed anew from the pain that my family and I, and it figures others like us, have endured for so long with no end in sight save what our hope sees.

That is what my father had in mind in his above-referenced letter dated December 7, 1997 to the DOJ, when he included on page 40:

It has come down to (a) lawyer suing lawyer (b) lawyer suing insurance companies for the company's own wrongdoing (c) the State being sued while suing others and all of it pro bono. . . . It's a filthy garment that guarantees total unravel, pull on any thread. None of them gave integrity or probity a chance. The questions and the liability are great beyond category. The core being that we have been denied access, representation and trial by jury. Their bane their curse is that we have done nothing unlawful, indeed, nothing wrong, In our the wronged party's place how would they have acted, based on how they have as wrongdoer?

There can be no closure, neither can the wounds heal, nor the scars be erased. I must live with whatever compensation I receive which cannot ever be enough. However, the thorns have their rose: it's all right here, what's wrong with our legal system, having emanated from a ten year old still unsettled claim that has always been as airtight as it has ever needed to be.

I want you to see that they get what's coming to them for what they have done to me!
Ruth Elvada Denniston Blevins (1923 - 1997)

At this juncture, for those inclined toward justice, I have said enough. For those not so inclined, it would be useless to say more just as it will have been useless to have said as much

Sincerely,

Robert F. Blevins

My father said, "it's all right here," and it *was* all right there. However, as is characteristic of genocide, the lawless ones have already destroyed many of the records that are self-incriminating as to them and are validating as to my family and me, and liberating to us and all other of the people. Moreover, the lawless have done so over my most strenuous counsel more than a decade ago to *not* destroy any files related to our family's case, which involves our prosecuting attempted murder, murder, genocide, treason, breach of contract and more in regard to which there is no statute of limitations. That is the problem that the U.S. has worked very hard to create for itself.

Without cause, the U.S. has treated my parents and theirs, me and mine, as enemies of the state, when in fact the reverse has always been true. Yet, the word of God that dwells in us richly, in our testimony, is sharper than any two-edged sword, to the dividing asunder of: the *people* (who are to be preserved) from the reprobate system (which is to be replaced).

My family and I, the people, will be delivered. We have many scriptural promises, including:

Proverbs 16:7 King James Version (KJV)

⁷ When a man's ways please the Lord, he maketh even his enemies to be at peace with him.

We also have specific prophetic promises. As of April 29, 2008, the Lord has promised that He will raise up our enemies to not only be at peace with us, but to protect and provide for us. As of September 25, 2016, the Holy Spirit said it is more than protecting and providing for us; it is that our enemies will bless us. To bless means to increase. In order for our enemies to bless us, they will have to be blessed themselves. That is happening through my family and me, through our case, our actual controversy, and is part of the promise that the Lord God made to Abraham.

Genesis 12:3 King James Version (KJV)

3 And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed.

All of that, of course, changes the dynamic to where my enemy is no longer my enemy. Through the process, we are to love and not hate.

Matthew 5:43-45 King James Version (KJV)

43 Ye have heard that it hath been said, Thou shalt love thy neighbour, and hate thine enemy. 44 But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you; 45 That ye may be the children of your Father which is in heaven: for he maketh his sun to rise on the evil and on the good, and sendeth rain on the just and on the unjust.

In this 242nd year after the American Revolution, the future course toward peace is very simple: The United States of America must do right by my family and me, and then peace will come for all.

- (6) **Josiah's general consent** – Josiah said that he had discussed many other things during that telephone conversation with the FBI via their CI and said I could use them if I wish to.

I will certainly be able to do so much better once I have the transcript and audio recording I have requested from you.

The closure that Josiah used is creative. He signed his email “Gashpringingly Yours,” and you may wonder what that means. That is from a longstanding family joke. My father used to often quote a little verse written in mock German that went something like this:

Das oxer vas eaten by der fencen
Das lion vas starvin' and gespotten das oxer
Das lion vas creepin' und gestalkin das oxer
Das lion gettin' closer to das oxer
Suddenler, das lion gespringen! Das oxer gedodgen!
Das lion gespringen! Das oxer gedodgen!
Das lion gespringen! Das oxer GEDODGEN!
Das oxen gettin' avay!

After a sad pause:

David M. Hardy

Das lion goin' away mitout eatin'!
Exultantly:
HA! HA! HA!

So, for us, “gespringen” (gahspringing) means to narrowly miss being eaten by a lion, and carries that meaning in our conversation and correspondence.

Throughout Josiah’s unlawful incarceration, we have had a standing understanding about that. He likes to work out as much as he can, and I have encouraged him to keep his “gespringen” muscles in shape so he can just squat down and jump up on to the roof, for example, with no need of a ladder.

Our circumstances are no laughing matter; but we maintain our ability to appreciate and create humor as a matter of survival.

As to our obligations as citizens, my son Josiah Robert Fornof and I stand as two witnesses together in regard to the aforementioned treason and genocide.

Josiah has a web site (<http://www.josiahrobertfornof.com>) where we are compiling a timeline of relevant information, including but not limited to a timeline from September 11, 1986 to date.

In addition to that, I am one of the two witnesses discussed in Revelation 11. My jurisdiction is Revelation 11:15, which I prosecute in love through John 3:16-17. The other witness' jurisdiction is me. Through our testimony, that which is settled in the spiritual is being manifested in the natural. In regard to that testimony, I mostly go by my prophetic name Rhuomai Basileus Rhuopostale, and my prophetic writings are mostly contained on my Rhuopostale web site (<http://www.rhuopostale.com>).

In both blog posts and books, as well as other publications, I expect to draw heavily from the content of the transcript and the audio recording that I have requested: the people have the right and the need to know why Josiah armed himself, and what has happened since then, as well as what will yet happen, in order to make their own decisions consistent with what it means to be an American citizen.

I may include this letter, possibly in a slightly redacted form, in my upcoming book: *God Bless America: One Family’s Actual Controversy and Why it Matters to Everyone Else*. My book will be an overview of a 5-book series entitled BLESSED IS THE NATION WHOSE GOD IS THE LORD. That series written under my legal name and is a companion series to the 10-book series THE SEVENTH ANGEL HAS SOUNDED, written under my above-referenced prophetic name. I published the first book of that series *The Glorious Liberty: Of the Children of God* on November 4, 2015, 7:49 PM EST. The November 13, 2015 Paris attacks were a backlash against the publication of that book, against the power and magnitude of my testimony.

As a prophet, I recognize the unmistakable spiritual signature of the enemy in such things. Beyond what I am able to and obligated to address as a United States citizen and as an oath-bound public servant, it is within my jurisdiction to address such spiritual matters.

David M. Hardy

Satan was upset at certain processes which were catalyzed or accelerated globally as of the moment I published my book, 7:49 PM EST on November 4, 2015; namely:

- ◆ *The first shofar blast was sounded, signaling the return of the Messiah.*
- ◆ *Shiloh, Prince of Peace, was birthed spiritually for the whole world.*
- ◆ *Satan was put on notice that he will not survive his encounter with me, and that I will send him and his demons to hell with no human souls. In other words: hell was canceled for the human race.*
- ◆ *The Apocalypse was canceled. The parts having to do with the Second Pentecost and the Second Coming are intact and in full motion. Other aspects are canceled.*
- ◆ *The longstanding dialogue between the throne of God and the White House is expanded to one between the throne of God and the people, beginning with the people of the United States of America.*
- ◆ *The Second Pentecost outpouring was ignited.*
- ◆ *The New Millennium, a thousand years of peace began.*

It helps to remember that “God hath chosen the foolish things of the world to confound the wise; and God hath chosen the weak things of the world to confound the things which are mighty” (1 Cor. 1:27).

On July 12, 2017, as a result of the latest round of genocidal attacks against my family and me, I unpublished my book. Nevertheless, the effects above continue at full throttle. I expect to republish my book in due season, certainly once a key prophecy in Revelation 20:1-2 is fulfilled, if not before:

Revelation 20:1-2 New International Version (NIV)

THE THOUSAND YEARS

20 And I saw an angel coming down out of heaven, having the key to the Abyss and holding in his hand a great chain. 2 He seized the dragon, that ancient serpent, who is the devil, or Satan, and bound him for a thousand years.

The Bride (the Church) is the angel, that angel. There is so much more to be said, both concerning Church matters and State matters, but I trust that this is enough for now.

Under duress of treason, imputed by law,
